

# Vacation

## Dirty Heads

A-a-aye, I'm on vacation  
Every single day cause I love my occupation  
A-a-aye, I'm on vacation  
If you don't like your life, then you should go and change it  
A-a-aye, I'm on vacation  
Every single day cause I love my occupation  
A-a-aye, I'm on vacation  
Every single day, every, every single day  
Every single day, every, every single day  
Every single day, every, every single day-ay

Everybody sour like a lemon tree  
I'm just smiling down upon my enemies  
Do this shit, I love it on the daily  
You say you hate your job, but you'll never leave, never leave  
But that ain't gonna be me, that ain't gonna be me  
My brother called me up said he saw me on TV  
I said, "it wasn't easy, but right now I'm living breezy."  
Build this engine from the ground up, now my hands they ain't so greasy, feel me?

A-a-aye, I'm on vacation  
Every single day cause I love my occupation  
A-a-aye, I'm on vacation  
Every single day, every, every single day  
Every single day, every, every single day  
Every single day, every, every single day-ay

Illuminate my future bright  
So thankful for everything  
Rejuvenate my inner light  
As I work hard for all I need  
Open arms, embracing life  
And all of which you gave me  
Hard work, it pays off  
I'm happy now, it's paying me  
Close my eyes sometimes it feels as if I go away  
I love the life I live and enjoy the ride along the way  
"I make a living out of living," yeah, that's what I say  
I've got one life to live, and I wouldn't live it no other way

A-a-aye, I'm on vacation  
Every single day cause I love my occupation  
A-a-aye, I'm on vacation

Every single day, every, every single day  
Every single day, every, every single day  
Every single day, every, every single day-ay

Van Gogh in my earlobe  
I can't hear, I'm here though  
I may be a weirdo, but this is my year, yo  
My life may be crazy  
My lack of the lazy has let me do shit that I love on the daily  
Daily, daily  
Get to do this shit I love upon the daily  
Daily, daily  
Everybody go and live your daydreams up

A-a-aye, I'm on vacation  
Every single day cause I love my occupation  
A-a-aye, I'm on vacation  
If you don't like your life, then you should go and change it  
A-a-aye, I'm on vacation  
Every single day cause I love my occupation  
A-a-aye, I'm on vacation  
Every single day, every, every single day  
Every single day, every, every single day  
Every single day, every, every single day-ay
