

Neon Moon

Brooks & Dunn

When the sun goes down on my side of town
That lonesome feeling comes to my door
And the whole world turns blue
There's a rundown bar 'cross the railroad tracks
I got a table for two way in the back
Where I sit alone and think of losing you
I spend most every night
Beneath the light
Of a neon moon
Now if you lose your one and only
There's always room here for the lonely
To watch your broken dreams
Dance in and out of the beams
Of a neon moon
I think of two young lovers running wild and free
I close my eyes and sometimes see
You in the shadows of this smoke-filled room
No telling how many tears I've sat here and cried
Or how many lies that I've lied
Telling my poor heart she'll come back someday
Oh, but I'll be alright
As long as there's light
From a neon moon
Oh, if you lose your one and only
There's always room here for the lonely
To watch your broken dreams
Dance in and out of the beams
Of a neon moon
The jukebox plays on, drink by drink
And the words of every sad song seem to say what I think
And its hurt inside of me, ain't never gonna end
Oh, but I'll be alright
As long as there's light
From a neon moon
Oh, if you lose your one and only
There's always room here for the lonely
To watch your broken dreams
Dance in and out of the beams
Of a neon moon
To watch your broken dreams
Dance in and out of the beams
Of a neon moon
Oh, watch your broken dreams

Dance in and out of the beams
Of a neon moon
