

Break Up (feat. Gucci Mane & Sean Garrett)

Mario

I love you,
But I don't think I can love you anymore When I kiss you so good
Why would you wanna break up?
When this loving is so good
Why would you wanna break up?
When I hit that so good
Why would you wanna break up?
When this feeling is so good
Why would you wanna break up? Loving you, loving you, loving you
When I'm, when I'm
Loving you, loving you
Why would you wanna break up?
(Do anything for you)
Why would you wanna break up?
(See I been driving through your hood)
Why would you wanna break up?
Ohhh! Now baby girl done dumped me
She no longer wants me
I'm no longer hired
She said that I've been fired
On to the next one
More fish in the sea
Girls are like buses
Miss one, Next fifteen; one comin'
Gucci Mane crazy and his ice game stuntin'
Swag so stupid still the bitch straight dumped me
Over, no more smokin' doja
Baby girl went AWOL
She used to be my soulja (Don't) Don't I lace you with the Gucci?
(Don't) Don't I deck you in the Louis?
(Do-on't) Don't I make your earlobe freeze?
(Don't) When I dive, I dive deep?
I know I be (gone)
I know I be (gone)
I know I be (Flirtin wit the girls)
I know I be (sayin' I'll be right back but take too long)
I know I be (sayin' I'll be faithful but I don't)
I know I be Makin' you them promises
Then breakin' your heart again
Tellin' you she wasn't when she was then we arguin'
But, baaaby...
I looove you... Oooh! Loving you, loving you, loving you

When I'm, when I'm
Loving you, loving you
Why would you wanna break up?
(Do anything for you)
Why would you wanna break up?
(See I been driving through your hood)
Why would you wanna break up? Loving you, loving you, loving you
When I'm, when I'm
Loving you, loving you
Why would you wanna break up?
(Do anything for you)
Why would you wanna break up?
(See I been driving through your hood)
Why would you wanna break up? You may be from the hood but to me (your a model)
Everything that I e-eva seen (in a model)
If you leavin' baby don't leave me (till tomorrow)
Tonight we gone get a lil tipsy (with a bottle)
You gone get me up
Imma take em down
Imma change my ways
We gone work it out
Girl I wouldn't be the same if you was wit somebody else
Girl it wouldn't be the same if I was wit somebody else
I know I made mistakes before
Promise you won't get hurt no more
I got what you like and you know once you lay down it's on Loving you, loving you, loving you
When I'm, when I'm
Loving you, loving you
Why would you wanna break up?
(Do anything for you)
Why would you wanna break up?
(See I been driving through your hood)
Why would you wanna break up? Why you wanna leave me,
You should wanna tease me,

Why would you wanna break up? Loving you, loving you, loving you
When I'm, when I'm
Loving you, loving you
Why would you wanna break up?
